## BEST VACATION SPOT IN MID AMERICA

That is where our ASDAO convention will be this year. So make your plans today to be there. Dr. Bob Roberts and Dee are putting together a convention that we will all remember. This will be a great vacation for young kids and all who like to act like young kids. We are located on a lake that should provide a lot of fun along with the entertainment of Branson.

A detailed schedule will be in the May Fraterneyeser. Be sure and make your reservations as soon as possible. Rocklane Communities at Branson yacht club. Phone # 800-704-1888. Rooms are reserved under the ASDAO name for a \$80.00 per night rate.

Some of the activities will be a day at Silver Dollar City fun day for the whole family and a evening program. An evening to hear Shoji Tabuchi, one of the most talented violinists in the country. His show sells out every night, Golf, and a special program at our convention with a well known Southern gospel quartet, the Palmetta State Quartet, winners of several gospel awards.

Sabbath is going to be on the grounds and informal. I'm looking forward to spending Sabbath with our friends, and expect our worship to be a special and inspiring time. For those of you bringing children and grandchildren, please let Dee and I know the ages so we can make plans for them.

You should plan to come early or stay later and take in many of the other shows that are in Branson.

If you plan on coming to the convention and staying in a RV, I would check out the Acorn Acres RV Park which is only a couple miles from where we will be holding the convention. For reservations you can call 800-338-2504 or go to [www.bestbransonrvpark.com](http://www.bestbransonrvpark.com). Free WiFi

I trust that this will help you know what we are looking forward to at our convention this year. I plan to see many new faces along with many former O.D.'s, their families and friends at this convention.

Reading glasses for India project is  
ongoing. We had problems with one  
shipment but the rest have been  
received. Pictures of happy ladies

GHG University of Montemorelos  
School of Ophthalmology:  
Email from Dr. Pedro A. Gomez  
"We are working with the Optometry  
program for 4 years, but I believe  
we must consider a two year pro-  
gram, plus a one year program for  
professionals that don't have any  
paper but have a optical shop (this  
can happen in Mexico). Thank you  
for helping find a phoropter, what  
happened to the person that was  
donating some equipment (FDT,  
etc)? We will work in this new idea  
of Optical Training and Spectacle  
Dispensers Course."

GHG 2007 Convention:  
It would be a good project at our  
convention to raise \$4,000 and buy  
Montemorelos a new minus cylinder  
phoropter. Come to the convention

**LETTER FROM SWAZI  
EYE SERVICES**

Dear Friends,  
Today is THANKSGIVING DAY. I'm  
sure it is a big celebration in the United  
States. Although most of the people just  
want the day because it is a time for  
relaxation and to be away from work,  
we do not know if they really appreciate  
the true essence of THANKSGIVING  
DAY.

We have so many things to thank the  
Lord for today -- too many to list and to  
number. But we would like to tell you,  
through this letter, generic as it may  
seem, that we are most thankful to the  
Lord for we have friends like you. The  
communications that we have, remind  
us that somewhere out there we have  
someone who thinks of us enough to  
put us in his/her mailing list. And that is  
good enough for us.

Thank you so much for counting us as  
your friends.

Happy THANKSGIVING DAY, (Merry  
Christmas & a Prosperous New Year  
too!) Cher-jun, Mar-Kel (Cherry, Jun,  
Mark, and Kelsey)

\*\*\*\*\*

We, the Swazi Eye Services adminis-  
trators and staffs also would like to  
THANK YOU from the bottom of our  
heart for your continued support for the  
ministry we are rendering in this part of  
the world. ASDAO has been an inspira-  
tion to us in many many ways.

Please continue to pray for us for the  
coming year as we face bigger chal-  
lenges. Every year we lost 10 percent  
of our clientele due to HIV-AIDS. It is  
emotionally expensive to see our pa-  
tients dying like flies. It just tells us that  
we are living in the verge of time. Peo-  
ple in this part of the world are dying  
faster than the message could reach  
them. We hope that through the Eye  
Services and the HIV-AIDS Counseling  
Center (we now named Adventist Care  
and Support) people would embrace  
the truth.

Again, we wish you all a happy  
THANKSGIVING day, Blessed MERRY  
Christmas and a Prosperous NEW  
YEAR ahead.

Urban Negre, Jr. OD, MPH

**ADDRESS CHANGES**

One of the biggest jobs is trying  
to keep track of where all the SDA  
optometrists are. As you move or  
change addresses we lose track of  
you. Please let me know so that  
will continue to receive the  
Fraterneyeser.

Also if your e-mail address  
changes we need to know that.

If you have a new address or if  
you know any new SDA  
optometrists or recent graduates  
send me the address.

**BRANSON, Come early  
and stay later to see all  
the sights.**

**PRESIDENT JOHN'S  
COLUMN**

John Eaton, O.D.  
ASDAO President

As Optometrists we can look  
around us and see many changes  
taking place. Our educational insti-  
tutions have much more in depth  
courses than just 10-15 years ago.  
Our State laws permit us to practice  
at a higher level of Optometry. But  
insurance has complicated our  
methods of practice. For the recent  
graduates this opens up the way to  
specialize in various phases of eye  
care that our older practitioners  
never dreamed possible.

However I am concerned that we  
may loose sight of the purpose God  
has put on us as Adventist Optome-  
trists. Are we being as good a  
Witness to our patients as we  
should? Just a thought.

I hope this year as we gather in  
Branson Mo. we can experience  
new friendships with some of our  
Optometrists and families that  
haven't met with us before or at  
least in recent years. We need  
each of you to make our goals in  
Adventist Optometry more mean-  
ingful and of course a lot more **fun**.

Blessings,  
John

**AUXILIARY  
ANNUAL  
AUCTION**

Start planning now on what you  
will be bringing to the Annual Aux-  
iliary Auction. This is the way that  
the auxiliary earns money to help  
with their mission projects and the  
scholarships that they give each year  
to optometry stu-  
dents.

I will be  
bringing some of  
my woodworking  
projects again this  
year. Pictured are  
a couple of the  
projects already to  
go.

Get your ideas  
together and bring  
them to the con-  
vention so that the auxiliary can  
continue their wonderful projects

**www.sdaoptometrists.org**

If you haven't  
checked our the new  
web site, you should  
do so. There are a  
few things that will  
change from time to time. I believe  
we have a very nice site to repre-  
sent our organization.

## SDA TEACHER AT SCCO

Dr. Eunice Myung graduated from La Sierra University with a Bachelor of Arts degree in Music and a minor in Chemistry. In 1999, she received her Doctor of Optometry degree from the Southern California College of Optometry (SCCO). She continued on to a residency position in Family Practice, with an emphasis in pediatrics, at the University of Houston, School of Optometry.

Dr. Myung is an instructor at SCCO. Her clinical responsibilities at the Eye Care Clinic are in both the Primary Care and the Cornea and Contact Lens Services. She is also involved in pediatric/laboratory instruction in the areas of ocular refraction and cornea and contact lens.

Dr. Myung is currently the principal investigator at SCCO for a multi-center multipurpose solution study, and is one of the investigators for The Collaborative Longitudinal Evaluation of Keratoconus (CLEK), which is funded by the National Eye Institute. She is a member of the American Academy of Optometry, the American Optometric Association, and the California Optometric Association.

We welcome her to ASDAO.

## SCCO STUDENTS DO ROTATION IN GUAM

from, Dr. James Christiansen

Two students from SCCO do rotation through the Guam Clinic. The first was Sharon Choi and the second was Lyn Tamano

They were both really competent and we enjoyed both. They are roommates at SCCO. Lyn went with my wife and I down to Yap where we did three hard clinic days at the Yap hospital. We saw 185 patients and had a nice Sabbath there too. They even let me preach

Sharon went on to Indian Health facility in Oklahoma and Lyn to the Marines at Camp Pendleton.

We are still lovin it here on Guam...the clinic is a great place to work and you couldn't ask for more as far as working conditions and staff...there is great team spirit here. That's in the Eye clinic as well as medical and dental too...If you know any dentists we are short two at the mo-
